

Wild Rebel Rose

[Martina McBride](#)

Wild Rebel Rose
The kids used to tease you
Wild Rebel Rose
Every time they'd see you in
those black turtle necks in mid-July
Wearin' too much makeup 'round
your eyes
Wild Rebel Rose
I didn't know you
Wild Rebel Rose
So I never told you how I'd watch
from the house across the street
When those blue lights came around
at least three times a week
It's hard for anyone to understand
why at sixteen you just up and ran
But they didn't know you only knew
your daddy's love like the back of his
handI heard the shots
I saw you hit the door
I snuck in and grabbed that pistol off
the floor don't you worry they won't
find it that's for sure
Wild Rebel Rose
The kids used to tease you
Wild Rebel Rose
Every time they'd see you in those
black turtle necks in mid-July
Wearin' too much makeup 'round
your eyesMmm, oh, Wild, Wild, Wild Rebel Rose
They didn't know
Oooh, yeah, mmm
