

Slow Wind

Swiss

Slow Wind for me girl (uh-oh uh oh)
Take your time on me girl (uh-oh uh-oh)
You ain't got no place to go
So baby take it slow
It's alright, Slow Wind x3 Girl1:
Oh, the way you move it to that beat
little mama, making you look like a freak (Freak)
Ain't no need to change the way your dancin'
That booty is the type for me I ain't gon' talk (Yeah)
And say things like 'I'mma be the one that'll change your life (no-oh)
But I'mma real, real, I wanna see you Slow Wind
Slow Wind for me girl (uh-oh uh-oh)
Take your time on me girl (uh-oh uh-oh)
You ain't got no place to go
So baby take it slow
It's alright, Slow Wind x3 Girl2:
So baby what you thinkin'?

We can leave this club right now or we can stay a little longer
I ain't too fussed about what you wanna do
But the way you move is making me wonder Could you be from Hawaii? Or Tahiti? Or that
beautiful place of C I
Or from Fiji, Samoa or Tonga
Coz I'm amazed by the way you Slow Wind Slow Wind for me girl (uh-oh uh-oh)
Take your time on me girl (uh-oh uh-oh)
You ain't got no place to go
So baby take it slow
It's alright, Slow Wind x3 Girl
Well, I want all my single ladies to
bring it to the dance floor right about now
And all my homies to break it down

They call me Swiss by the way (get it, listen) You ain't gotta say too much I know your diggin'
me
You wanna one night stand you found the recipe
You want a little bit more, I could be that
You've been hurt before and I can see that
See you had a lot of tricks tryna steal your heart
But never really have loved, coz you never figured out how to love
Well I can show ya, give me some time
For now let me see you Slow Wind x2
Slow Wind for me girl (uh-oh uh-oh)
Take your time on me girl (uh-oh uh-oh)
You ain't got no place to go

So baby take it slow
It's alright, Slow Wind x3 Girl
