

I Cut Like a Buffalo

The Dead Weather

Well you know I look like a woman but I
Cut like a buffalo
Stand up like a tower, tall
But I fall
Just like a domino You can hit me if you want to
Do whatever makes you happy
But don't take it easy on me
'Cause I don't know how to take it
You're a prick with a pin woman Wake me up when it's broke
But only if it's broken
You know I treat you like a joke bu you
Can't tell when I'm joking You cut a record on my throat
But the record's not broken Is that you choking?
Is that you choking?
Is that you choking?
Or are you just joking? You know I look like a woman but I
Cut it like a buffalo
Wake me up when it's broke
Just like a woman
You cut a record on my throat then you
Break me wide open
You're a prick with a pin woman
Push it into my skin girl
I'm a prick when I sin and I
Know I can't win You know I look like a woman and I
Cut like a buffalo
