

You Don't Know My Heart

Rachel Platten

Hey, my fist are tight and I'm afraid
'Cause I cannot, cannot explain
Your heart is like a hurricane
But can't you see I'm so in pain?
Guess I'm not, 'cause I don't talk
And then you write me off again
And I don't think you understand at all I don't wanna use my mouth, don't know how to spell it
out
Everytime I try it sucks
And just wish you could open me up
I see all the confusion and the love and hurt, the wrong words I'm using
'Cause it tonight it feels like
Like you don't know my heart
You, you don't know, you don't know my heart
Feels like oh
You don't know, you don't know my heart
You, you don't know, you don't know my heart
Feels like oh Why you say I never really see that it's only ever about me?
Like I don't listen when you speak
Like it doesn't kill me when your tears fall down
And I cannot catch it
And I do not have the perfect expression
And I don't think you understand it at all I don't wanna use my mouth, don't know how to spell it
out
Everytime I try it sucks
I just wish you could open me up
And see all the confusion and the love and hurt, the wrong words I'm using
'Cause tonight it feels like
Like you don't know my heart
You, you don't know, you don't know my heart
Feels like oh
You don't know, you don't know my heart
You, you don't know, you don't know my heart
Feels like oh Like you don't know my
Feels like oh
Like you don't know my
Feels like
You don't know, you don't know my heart
Feels like oh
You don't know, you don't know my heart
Feels like oh, oh, oh, oh, oh Well, I don't wanna use my mouth, don't know how to spell it out
Everytime I try it sucks

And just wish you could open me up
And see all the confusion and the love, the hurt, the wrong words I'm using
'Cause tonight it feels like Like you don't know my heart
Feels like
You, you don't know, you don't my heart
Feels like oh
You don't know, you don't know my heart
Feels like
You, you don't know, you don't know my heart
Feels like oh
Like you don't know my heart
Feels like
You, you don't know, you don't know my heart
Feels like oh
You don't know, you don't know my heart
Feels like
You, you don't know, you don't know my heart
Feels like oh
