

# Forever's Not Enough

Sarah Geronimo

If I would have to live my life again  
I'd stay in love with you the way I've been  
Your love is something no one ever can replace  
I can't imagine life with someone else I promise I will share my life with you  
Forever may not be enough it's true  
My heart is filled with so much love  
I feel for you  
No words can say how much I love you so And if forever's not enough for me to love you  
I'd spend another lifetime baby,  
If you ask me to  
There's nothing I won't do  
Forever's not enough for me to love you so  
They say tomorrow seems so far away,  
And now we see that everything can change  
My love for you gets stronger as tomorrow comes  
I know this love will stand  
the test of time And if forever's not enough for me to love you  
I'd spend another lifetime baby,  
If you ask me to  
There's nothing I won't do  
Forever's not enough for me to love you so For you, there's nothing I can't do  
And never will I ever go  
Forever's not enough to love you so  
But if forever ends one day  
I promise you I'll stay to show you  
That my love for you will never end...  
And if forever's not enough for me to love you  
I'd spend another lifetime baby,  
If you ask me to  
There's nothing I won't do  
Forever's not enough to love you so And if forever's not enough for me to love you  
I'd spend another lifetime baby,  
If you ask me to  
There's nothing I won't do  
Forever's not enough for me to love you so
