

# Lovely Head (Live From Air Studios)

[Goldfrapp](#)

It starts in my belly then up to my heart  
Into my mouth, I can't keep it shut  
Do you recognize the smell?  
Is that how you tell us apart? I fool myself to sleep and dream  
Nobody's here, no one but me  
So cool, you're hardly there  
Why can't this be killing you? Frankenstein would want your mind  
Your lovely head, your lovely head  
Your lovely head
