

Inside the Fire

Disturbed

Hahahaha

Ohh Devin, won't go to heaven

She's just another lost soul about to be mine again

Leave her, we will receive her It is beyond your control, will you ever meet again?

Devin, no longer living

Who had been rendered unwhole as a little child

She was taken and then forsaken You will remember it all, let it blow your mind again

Devin lies beyond this portal Take the word of one immortal

Give your soul to me for eternity

Release your life to begin another time with her

End your grief with me, there's another way

Release your life, take your place inside the fire with her

Sever, now and forever

You're just another lost soul about to be mine again

See her? you'll never free her You must surrender it all if you'd like to meet again

Fire, all you desire

As she begins to turn cold and run out of time

You will shiver, 'til you deliver You will remember it all, let it blow your mind again

Devin lies beyond this portal Take the word of one immortal

Give your soul to me for eternity

Release your life to begin another time with her

End your grief with me, there's another way

Release your life, take your place inside the fire with her

Give your soul to me for eternity

Release your life to begin another time with her

End your grief with me, there's another way

Release your life, take your place inside the fire with her

Ooh Devin, no longer living

Who had been rendered unwhole as a little child

She was taken and then forsaken

You will remember it all, let it blow your mind again
