

# To Love Somebody

Michael Bolton

There's a light  
A certain kind of light  
That never shown on me  
I want my life to be  
To lived with you  
To lived with you  
There's a way  
Everybody says To do each and every little thing  
But what does it bring  
If i ain't got you  
i ain't got you Baby you don't know what it's like  
Baby you don't know what it's like  
To love somebody  
To love somebody  
The way I love you  
In my mind  
I see your face again I know my frame of mind  
You ain't got to be so blind But I'm blind  
So very blind I'm a man  
Can't you see what i am  
I live and breathe for you But what good does it do If i ain't got you  
If i ain't got you, baby  
You don't know what it's like  
Baby you don't know what it's like  
To love somebody  
To love somebody  
The way I love you  
You don't know what it's like  
Baby you don't know what it's like  
To love somebody  
To love somebody  
To love somebody  
To love somebody  
You don't know  
To love somebody  
The way i love you  
You don't know  
You don't know  
To love somebody  
To love somebody  
You don't know  
Oohooo...

To love somebody  
To love somebody  
The way i love you
