

Fly

Blind Guardian

Stop!
Be quiet now
Out with the light and Then up and down it goes
Fly Out with the light
...
There at the door The inspiration i've looked for
The spirit of the youth appears
Ha
HaHA
HA
No one ever dares to speak
It's nothing else but fantasy
It's make believe
Make believe
No one ever dares to speak
It's nothing else but fantasy One day it all will come to life
Step out of line and
I'll teach you how to fly then
Away we'll go
Leave your mark Leave your mark in the land of mine
(Solo)
The second one to the right and then
Straight on until morning light
Stop!
Be quiet now
No irritation
No, not the slightest doubt
We go at once quick
We better hurry
There from the road I sense
The end of fun gets near Wonderful thoughts and
Imaginations
These things will lift you up
Oh-ho-ho
What is it like you? ask me, my dear
Will there be fairies, or things to fear?
For fairies sake I'd say you better come with me So soon you'll see
Now up and down it goes and round
Round and round and round
Praise to my cleverness
They all follow me
All praise to innocence

That's everything it needs Fly in
Fly out
They'll leave it all behind
No one ever dares to speak
It's nothing else but fantasy It's make believe
Make believe
No one ever dares to speak
It's nothing else but fantasy
One day it all will come to life
Step out of line and
I'll teach you how to fly
Then away we'll go
Leave your mark land of mine
Leave your mark in the land of mine
(Solo)
Life is a map and it is quite confusing
The lights are up, now let the play begin She flies
She flies
Into the light she flies
No words like "Just" in mind
She's finding neverland
There on the day she dies
Don't stop it now She still enjoys the scene
Don't stop it now
Don't stop it now
Don't stop it now
Don't stop it now, now, now
No one ever dares to speak
It's nothing else but fantasy
It's make believe
Make believe
No one ever dares to speak
It's nothing else but fantasy
One day it all will come to life
Step out of line and
I'll teach you how to fly then
Away we'll go
Leave your mark in the land of mine
Ha
