

# Why so Serious (feat. KB)

## Da' T.R.U.T.H.

It's Saturday morning I'm up on the move, but I'm still kind of out of it.  
A knock on the door witness of Jehovah this time I'm not dodgin em'.  
This time I'll invite em' in.  
I'm hopin that I'll be quick.  
Boy I just better be i just spent six months for searchin these counterfeits.  
This ain't a matter of personal taste
