

# Fallen Eagle

## Stephen Stills

Play the Stephen Stills Quiz "Fallen Eagle" Sing to the fallen eagle  
Helicopters fly  
Chase him 'round the mountains  
Chase him 'til he dies They say that it's good sportin'  
Shootin' him on the wing  
Above the roar and clatter  
You can hear your rifle sing  
His death song  
It won't be long  
Sing to the western rancher  
The eagle takes his lamb  
He's got a thousand others  
He don't give a damn Get up with the sunrise  
Everybody gather 'round  
Kill him with the first shot  
He'll turn and bring you down  
Down down  
Crash on the ground Sing to the noble eagle  
Help is on the way  
A government team of experts  
Is 'rushin' to your aid  
I know your not excited  
An eagle is no waif  
Fly on up to Canada  
This country isn't safe  
Anymore  
That's for sure
