Night By Night (Siriusmo Remix) [Bonus Track]

Chromeo

I know inside of me sooner or later we gon' be free

C'mon girl, don't make a fuss

Let's have a conversation that's not just about usWhen we don't know which way to go

... and it doesn't really matter what we do There's gotta be one good way to know

If all this is worth it we can work it night by night. She says I'm not romantic

I say she's too dramatic

I tell her while we're at it we can work it night by night

She says I'm not romantic

I say she's too dramatic

I tell her while we're at it we can work it night by night

I know inside of me if we wait a bit longer we'll see what's meant to be

C'mon girl, we can't be apart

A special kind of lovin reaches right through my heartWhen we don't know which way to go

... and it doesn't really matter what we do

There's gotta be one good way to know

If all this is worth it we can work it night by night. She says I'm not romantic

I say she's too dramatic

I tell her while we're at it we can work it night by night

She says I'm not romantic

I say she's too dramatic

I tell her while we're at it we can work it night by night

... Not Romantic

... INOL KOIIIaiitiiC

... Too Dramatic

We can work it night by night

... Not Romantic

... Too Dramatic

We can work it night by night

... Not Romantic

... Too Dramatic

We can work it night by night

... Not Romantic

... Too Dramatic
We can work it night by nightShe says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
She says I'm not romantic
I say she's too dramatic

I tell her while we're at it we can work it night by night
