

# Legendary (feat. Travis Barker)

## Royce da 5'9" & Travis Barker

A women's loyalty is tested  
When her man has nothing  
A man's loyalty is tested  
When that man has everything  
The definition of a legend, is a man who starts with nothing  
And leaves the game with everything  
That shit there don't make you legendary  
This shit here gon' make me legendary  
Make me legendary  
This shit here gon' make me legendary  
Pardon, nigga, I'm the hardest nigga  
Out the farthest nigga, out the party nigga  
I'm the artist  
I put all these niggas in the garbage  
All these niggas in the toilet  
While I sit in orbit, I'm not getting better  
I'm just getting started, started  
I'm just getting high I just flipped it like I do all my competition  
Let me slow this shit down I just need me a bad one  
Come o'er here and wear my flag hon'  
I give y'all the bottom line  
I don't do a lot of talkin'  
'Cause a lot of talkin' take up a lot of time  
And I don't got a lot of time  
Since a kid, sittin' in the wicker chair  
With the sweater, with the collar onto mine  
Swear not to get out of line  
I can't have 'Pac in my closet  
I don't got time to idolize  
I just cop it and toss it  
I don't got time to idolize  
My flight is high  
Probably the only thing around me tonight that's high  
Besides my ideology  
Pockets chubby, I should say tubby  
'Cause I'm ballin' like Dr. J  
Wonderin', "How could they sub me?"  
I certainly got comrades like Conrad Murray  
Who operate ugly from around the way  
I'm lookin' around at these pretty girls  
And this what I got to say  
Ain't no better feeling  
Than turning down you a bad one  
That's that shit gon' make you legendary  
That's that shit gon' make you legendary  
It ain't no better feeling

Than turning down you a bad bitch  
That right there gon' make you legendary  
That right there gon' make you legendary That's that shit gon' make you legendary  
That's that shit gon' make you legendary  
I ain't tryna fuck every bitch that's tryna fuck me  
That shit right there just ain't necessary  
All I'm tryna be is legendary  
That right there won't make you legendary I remember I was just a pimp  
Save all that extra shit  
You bitches' necks was just as quick as "The Exorcist"  
Just tryna catch a glimpse, bitch I look excellent  
Soon as I exit I peel out advantage  
and try to look hard cause her ride lookin' small  
We will suit up, and boot up, and get out like Mexicans All you niggas do is party all the time  
Party all the time  
Party, party, party  
Once you my target, I'll stop you while you're startin'  
Started, why you stoppin'?  
My niggas Glock around the party  
Around the clock, wearing choppers, mount a .40  
And rock a loxie 'round the block  
And they ain't got no Louie That gon' make 'em fuckin' legendary  
That's gon' make you fucking legendary  
Beautiful women asking "Why don't we get together?"  
I told all 'em bitches neveruary  
Now all them baddest bitches know to never come to me with nonsense 'Cause they know that I  
will fuck 'em once  
like a record company then drop 'em  
Hold up, that's that shit gon' make you legendary  
That shit gon' make me so, so, so legendary  
Specially if she acting suspect and the pussy just end up being so, so  
I'm just a superhuman being with the quickest slow flow  
Got the underground wire like the tires, low pro  
Got the eye of the tiger inside of the mind of a old soul, yo It ain't no better feeling  
Than turning down you a bad one  
That right there gon' make you legendary  
That right there gon' make you legendary  
It ain't no better feeling  
Than turning down you a bad bitch  
That's that shit gon' make you legendary  
That's that shit gon' make you legendary That's that shit gon' make you legendary  
That's that shit gon' make you legendary  
You get more for your money when you fuck with Mr. Porter
