

Realize

Colbie Caillat

Take time to realize
That your warmth is
Crashing down on in
Take time to realize
That I am on your side
Didn't I, didn't I tell you
But I can't spell it out for you
No it's never gonna be that simple
No I can't spell it out for you If you just realize what I just realized
Then we'd be perfect for each other
And we'll never find another
Just realize what I just realized
We'd never have to wonder if
We missed out on each other now
Take time to realize
Oh oh, I'm on your side
Didn't I, didn't I tell you
Take time to realize
This all can pass you by
Didn't I tell you
But I can't spell it out for you
No it's never gonna be that simple
No I can't spell it out for you If you just realize what I just realized
Then we'd be perfect for each other
And we'll never find another
Just realize what I just realized
We'd never have to wonder if
We missed out on each other but
It's not the same
No it's never the same
If you don't feel it too
If you meet me half way
If you would meet me half way
It could be the same for you If you just realize what I just realized
Then we'd be perfect for each other
And we'll never find another
Just realize what I just realized
We'd never have to wonder
Just realize what I just realized
If you just realize what I just realized
Ooh ooh ooh
Missed out on each other now

Missed out on each other now
Realize, realize, realize, realize
