

# Tennessee River Run

Darryl Worley

Worked all week, got it all done  
Lets make a Tennessee River Run Hey everybody I think the time is right  
Lets get together down where the catfish bite  
Cooped up all winter  
Waiting on a day like this  
It's the way I feel when I'm rockin on the water  
Baby that I can't resist  
Bar-B-Q grill, summer time jam  
Just about a mile above the Pickwick Dam  
Party on the water whole lotta fun  
Time to make a Tennessee River Run  
I'll get my bass boat, crank up your party barge  
We'll drop these anchors out where the big boats are  
Break out a cooler, pass out ice-cold beer  
Look at all the people out here on the water  
Man I can't believe we're here Swingin' on a rope gonna have a ball  
Jumpin' off the Yellow Creek waterfall  
Checkin out the honeys, bakin in the sun  
God bless a Tennessee River Run Doo-dee n' doo dee  
Doo dee n' doo  
Doo dee n' doo dee  
Doo dee doodle doo  
Doo-dee n' doo dee  
Doo dee n' doo  
Doo dee n' doo dee  
Doo dee doodle doo  
Oh what a weekend we've had some time to play  
I should be leaving tomorrows a work week day  
I just might call in, tell em' that I can't get home  
Does anybody else want to stay a little longer  
Or am I gonna be alone? Floatin on a tube, gonna weigh a ton  
Cajun sausage on a hot dog bun  
Bar-B-Q grill, summertime jam  
Just about a mile above the Pickwick Dam  
Party on the water, whole lotta fun  
Time to make a Tennessee River Run Doo-dee n' doo dee  
Doo dee n' doo  
Doo dee n' doo dee  
Doo dee doodle doo  
Doo-dee n' doo dee  
Doo dee n' doo  
Doo dee n' doo dee

Doo dee doodle dooNothin like a Tennessee River Run
