

# Something Got Me Started

## Simply Red

Something got me started  
You know that I will love you  
Lately since we parted  
I truly know that I need you I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would) Totally broken hearted  
Guilty of what I did to you  
Lately since we parted  
I truly know that I need you  
Yes a little because I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would)  
C'mon I really love you  
C'mon I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you  
I'd give it all up for you I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would) I'd give it all up for you  
(Yes I would)  
I'd give it all up for you  
(Yes I would) Yes I would  
Yes I would  
Yes I would Hey  
Yes I would, yeah

Yes I would  
(Something got me started)  
Hey, ayy  
(Something got me started)  
You've got to help me now  
(Something got me started) You've got to help me now  
(Something got me started)  
You've got to help me now  
(Something got me started)  
You've got to help me now, help me  
(Something got me started)  
I'll take it out
