

# Fix Me

## 10 Years

It's taking a lifetime to lose my way  
A lifetime of yesterdays  
All the wasted time on my hands turns to sand  
And fades in the wind  
Crossing lines, small crimes  
Taking back what is mine  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
So lost for so long to find to my way  
I failed to follow, I'm out of place  
Crossing lines, small crimes  
Taking back what is mine  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
Isolation  
Hesitation  
Seperation  
Revelation  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me  
I'm fine in the fire  
I feed on the friction  
I'm right where I should be  
Don't try and fix me
