

# We Are Young (feat. Tim Myers)

## VASSY

Everybody get down like that  
Everybody get down like that  
If you like it then make it clap  
If you like it then make it clap Turn it up, break loose skill out  
We are young, don't tell us how  
We should go on living now  
Break the rules, let's tear it down Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Hey!  
Are you ready cause it's time that we  
Together we can find a way to be free  
From Japan to Germany  
Cause We Are Young! Sleep all day, stay up all night  
Think that we can start a fight  
Watch the full moon start to rise  
Disappear in the morning eyes Everybody get down like that  
Everybody get down like that  
If you like it then make it clap  
If you like it then make it clap Hey! Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Oh oh oh oh oh, Oh oh oh oh oh  
Hey! Are you ready cause it's time that we  
Together we can find a way to be free  
From Japan to Germany  
Cause We Are Young!  
Cause We Are Young!  
Cause We Are Young!  
Cause We Are Young!
