

# I Am Above

## In Flames

Cut my throat and throw me to the wolves  
I'm just too tired, too tired to reload  
Don't need your tears, I don't need your love  
Don't need your sympathy, I am above I'll be the ghost that haunts you in your sleep  
You have anchored the hate in me  
Don't need your tears, I don't need your love  
Don't need your sympathy, I am above My god, I don't need you  
I won't wait for you to come around  
My god, as the pain inflates  
I know I bleed, I bleed for you We will never be, you aren't close to me  
This is the feeling that I have been waiting for  
Maybe, just maybe it takes time to seek it  
Did you not hear me loud and clear?  
Don't need your tears, I don't need your love  
Don't need your sympathy, I am above My god, I don't need you  
I won't wait for you to come around  
My god, as the pain inflates  
I know I bleed, I bleed for you We will never be, you aren't close to me  
This is the feeling that I have been waiting for  
We will never be, you aren't close to me  
This is the feeling that I have been waiting for My god, I don't need you  
I won't wait for you to come around  
My god, as the pain inflates  
I know I bleed, I bleed for you  
We will never be, you aren't close to me  
This is the feeling that I have been waiting for  
We will never be, you aren't close to me  
This is the feeling that I have been waiting for This is the feeling that I have been waiting for  
Don't need your tears, I don't need your love  
This is the feeling that I have been waiting for  
Don't need your sympathy, I am above
