

# Save My Soul

R. City

I'm feeling like I can kill a man  
I'm feeling like I don't give a damn  
But I mean could you blame me  
Oh maybe I'm just going crazy  
I feel like I've seen everything  
I still don't believe in anything  
Is like my mind won't let me

Oh right now I feel so empty So you can have my heart I won't be needing that now (I know that)

Take my body just break it down to the bones (Fa sho that)  
I need somebody to help me right my wrongs (Ya know that)  
So go ahead and take whatever you want  
But save my soul, save my soul  
When I lose my mind and I lose control  
Save my soul

Save my soul, save my soul  
From my highest high to my lowest low  
Lord save my soul Well I'm a sinner oh yes I know  
Before my sins become unforgivable  
I'd admit that I'm guilty

Oh I pray the lord could forgive me, oh-o  
Cause I'm a rebel without a cause  
Breaking every law

I wish somebody could help me

Right now I just feel empty, oh-o So you can have my heart I won't be needing that now (I know that)

Take my body just break it down to the bones (Fa sho that)  
I need somebody to help me right my wrongs (Ya know that)  
So go ahead and take whatever you want  
But save my soul, save my soul  
When I lose my mind and I lose control  
Save my soul

Save my soul, save my soul  
From my highest high to my lowest low  
Lord save my soul Why is everything bad for me always feel so good  
I'm not all the way crazy oh I'm just misunderstood  
I know I should do better but this is all I know

Why is it no matter what I get I'm never satisfied  
People tell me I'm doing wrong but it feel so right  
I know I should do better but this is all I know Save my soul, save my soul  
When I lose my mind and I lose control  
Save my soul

Save my soul, save my soul  
From my highest high to my lowest low  
Lord save my soul
