

Don't Kill My Buzz...

Cisco Adler

Don't kill my buzz
Don't kill my vibe
Just because
You never tried
Don't ruin my fun
Don't ruin my time
Just because
You never tried...Summer chill got me feeling like a million dollar bill
Right now
Time to kill I be up on the hill with a funny cigarette and a smile...Take it slow
Nowhere to go
Cuz I'm happy where I'm at right now
Lemme know Or let it go
No time to sit around and talk about it now...Don't kill my buzz
Don't kill my high
Just because
You never tried
Don't ruin my fun Don't ruin my time
Just because You never tried...Everybody's got a reason to be happy but not everybody knows
how
Everybody gonna fine somebody to blame for how it all goes down
Take it slow
Nowhere to go
Cuz I'm happy where I'm at right now
Let me know
Or let it go
No time to sit around and talk about it now...
Don't kill my buzz
Don't kill my high
Just because
You never tried
Don't ruin my fun
Don't ruin my time
Just because
You never tried...
Don't kill my buzz
Don't kill my high
Just because
You never tried
Don't ruin my fun
Don't ruin my time
Just because

You never tried...
Don't kill my buzz
Don't kill my high
Just because
You never tried
Don't ruin my fun
Don't ruin my time
Just because
You never tried...
