

Body Rock

Fifth Harmony

(Right about now)I'm dancing in the rain
'Cause, there's a fire burning deep inside for you
I'm locked into your chain
'Cause, I'm addicted to the way your body movesOh, my heart racing
And my temperature is blazing through the roof
(Blaze it up, blaze it up, blaze it up, blaze up)
And I'm tired of this sheared
'Cause, I can't hide the way I'm fiending over you (ow)I'm over whelmed I might as well
Stay underneath the spell you put on me (hey, hey, hey)
And when you touch me
I can feel it in my veins like electricity (hey)
(Oh, oh, oh, oh)
All day, I'm only thinking about you all day
You got me going, baby, always (yeah)
I love the way your body rocks, when we rock
You rock with meBody rock, body rock, you rock with me
See this is how real love suppose to be (oh, oh, oh, oh)
Body rock, body rock, you rock with me (hey, hey)
Say this is how real love suppose to be
Body rock (rock it out)I'm dancing in the rain (rock, rock, rock)
'Cause, there's a fire burning deep inside for you
I'm locked into your chain
'Cause, I'm addicted to the way your body movesOh, my heart racing
And my temperature is blazing through the roof
And I'm tired of this sheared
'Cause I can't hide the way I'm feeling over you (don't hide it, let's go, ow)
I'm over whelmed I might as well
Stay underneath the spell you put on me (hey, hey, hey)
And when you touch me
I can feel it in my veins like electricity
(Oh, oh, oh, oh)All day, I'm only thinking about you all day
You got me going, baby, always (yeah)
I love the way your body rocks, when we rock (yeah)
You rock with me
Body rock, body rock, you rock with me
See this is how real love suppose to be (oh, oh, oh, oh)
Body rock, body rock, you rock with me
Say this is how real love suppose to be
Body rock (body rock)And it makes no sense at all (at all)
How you love takes me off the wall (the wall)
And you make my body rock (oh, oh, oh, oh)All day (all day) I'm only thinking about you all
day

(I'm only thinking about all day)
You got me going baby always (always)
I love the way your body rocks when we rock (oh, oh, oh, oh)
You rock with me
Body rock, body rock, (body rock) you rock with me (oohh)
See this is how real love suppose to be (oh, oh, oh, oh)
Body rock, body rock you, rock with me (hey, hey)
Say this is how real love suppose to be
Body rock Put your hands up in the air
Put your hands up in the air
Body rock
Put your hands up in the air
Put your hands up in the air
Body rock, body rock
Put your hands up in the air
Put your hands up in the air
Body rock
Put your hands up in the air
Put your hands up in the air
Body rock, body rock
