

# Wishful Thinking

Duncan Sheik

Listen to the waves  
Everything communicates  
Will it ever be  
Anything more  
Than wishful thinking?  
Oh no there you go  
Looked away and  
Missed the show  
How much wasted time  
Will you survive? Feel the blades of grass  
How it brings you back  
It will always be  
Only as green  
As you can see  
Oh no there you go  
Looked away and  
Missed the show  
How much wasted time  
Will you survive?  
Oh yeah fooled again  
I don't know how  
And I don't know when  
Not much else to blame  
But wishful thinking Little breakdowns  
In coastal towns  
They come suddenly  
Crashing over you  
They come easily  
I'm falling  
Through the skies  
And frozen places  
Oh no there you go  
Looked away and  
Missed the show  
How much wasted time  
Will you survive  
Oh yeah fooled again  
I don't know how  
And I don't know when  
Not much else to blame  
But wishful thinking And I try to realise  
That I needn't look

Any further  
The whole of  
The universe  
Is plain to see  
And I try not to rely  
On another world  
Or the future  
The whole of  
The universe  
Is a mystery And it gets me over  
It gets me over you ohhh  
And it gets me over  
It gets me over you
