

Your Sister

Sloppy Seconds

Hey man, i kinda like your sister (yeah yeah yeah)
Hey man, i hope that's cool.
Hey man, i'm gonna lose my mind
Every single time i find your sister,
Suntannin by the pool. Hey man, i wanna see her naked (yeah yeah yeah)
Hey man, i'm always in her room
All alone when no ones there,
Goin through her underwear
And hey man, i gotta see her soon.
Hey man, i wanna get her pregnant (yeah yeah yeah)
Hey man, how can i resist her (resist her)
The day i give her a wedding band,
Are you gonna be my best man?
And hey man, i kinda like your sister
I kinda like your sister
I kinda like your sister
I kinda like her!
