

# Last One to Know

Joss Stone

I hold my cause close to my chest  
I had my heart put to the test  
Na na na na, na hell nah  
I don't wanna be in love Living in the dark confused because you moved a mark  
I don't know how far you go, is this the start?  
Will this episode explode to a lot of love, I just don't know  
Is this the door that will never close?  
Like it's done before, a thousand times I hold my cause close to my chest  
I had my heart put to the test  
Na na na na, na hell nah  
I don't wanna be in love  
If you asked me this a year ago  
To lay down by your side, I'd run a mile  
Being close was impossible, had too much to lose  
Just the thought of letting go, I'll never know  
But you keep pushing on, pushing on (???) I hold my cause close to my chest  
I had my heart put to the test  
Na na na na, na hell nah  
I don't wanna be in love In love, I don't wanna be in love  
Don't make me baby, don't make me  
Don't make me be in love I think that I've just found me the right one  
I can't believe that I'm the last one to know  
I hold my cause close to my chest  
I had my heart put to the test  
Na na na na  
Hell no, I don't wanna be  
I really don't wanna be in love Don't make me be, take it back baby  
I don't wanna be, I don't need to be in love  
Heal me baby, I don't wanna be in love  
I don't wanna, I can't, I don't need to be  
I don't wanna be in love baby  
Take it back, take it away from me  
Take it away baby, I can't handle it, I don't wanna be Oh yeah, I can't believe that I am the last  
one  
The last one to know what the hell is going on  
I can't believe that I'm the last one to know  
Say it ain't so, please, please.
