

Love Me Down

Jason Derulo

Good God

I don't know if you heard 'bout the global warming and this club is first
We might all get hurt, your body is tsunami mami, put in work

Good God

You know I love her, you're blessed from behind, I'ma take you to church

Good God

Before we leave this Earth, shawty can I get some?Baby we don't know what might happen, but

I know you're sexy, sexy

I know you're sexy, sexy

And girl if tonight's my last, I'm spending it with ya sexy, sexy
With ya, sex meWould you love me down, if all we had was now
Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl the world could end, so we should take this chance

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

C'mon on lil' mami, let's go

Good GodGirl, while you're all alone

Go on tell your kitty, give a dog a bone

Have you heard

I've Armageddon, it's comin' it's comin', we better french...Baby we don't know what might
happen, but I know you're sexy, sexy

I know you're sexy, sexy

And girl if tonight's my last, I'm spending it with ya sexy, sexy
With ya, sex meWould you love me down, if all we had was now
Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl the world could end, so we should take this chance

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

I wanna love you like it's the end of the world

I wanna love you like it's the end of the world

Don't give a fuck like the end of the word (the end of the world)

I wanna love you like it's the end of the world

I wanna love you like it's the end of the world

Don't give a fuck like the end of the word

The end of the worldWould you love me down, if all we had was now

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, ooh

Girl the world could end, so we should take this chance

Tell me would you ooh, ooh, ooh, I can make you ooh, ooh, oohSo tell me, tell me, what you
gon' do

What you gon' do, tell me, tell me baby, what you gon' do

What you gon' do, tell me, tell me baby, what you gon' do

So tell me, tell me, what you gon' do

What you gon' do, tell me, tell me baby, what you gon' do

What you gon' do, tell me, tell me baby, what you gon' do

You never know
