

# Morning After Dark (feat. Nelly Furtado & So Shy)

## Timbaland

Go Timbo

I'll be the same when it all goes up  
I'll be the same when it all goes down  
Not the first one open it up  
I'll be the last one closing it out  
Don't know if I'll give you a shot yet  
Lil Mama, I'm peeping your style  
Do I think you're dope enough? Yup  
One way of finding it out  
The way you came at me, boo  
Don't care, not afraid, I'm like wild  
Really want it from head to toe  
Question if she gon' let it out  
Anyway the hour glass go  
I don't worry anyhow  
Why don't we see where it go?

Let's figure it out

When the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeah

In the morning after

When the cats come out the vamps come out to play, yeah

In the morning after

The dawn is here, be gone, be on your way, yeah  
In the morning after dark  
Come on, SoShyI got  
a little secret for ya

I never sleep when comes the night

But every time I smack my fingers

I switch back into the light

My moon belongs to your sun

Your fire is burning my mind

Is it love or is it lust?

Something that I just can't describe

Am I the one and only?

'Cause you're the only one

It felt so long and lonely

Waiting for you to come

It's looking bright and early

I'm willing to close my eyes  
This is the unusual story

Timbo and SoShy

When the cats come out the vamps come out to play, yeah

In the morning afterThe dawn is here, be gone, be on your way, yeah  
In the morning after  
When the cats come out the vamps come out to play, yeah  
In the morning afterThe dawn is here, be gone, be on your way, yeahIn the morning after dark  
Go Nelly  
I need some REM but  
I don't like sleeping aloneSo come and pick me up asSoon as you put down the phone  
I wanna get into trouble  
Later you'll carry me home  
I wanna go undercover  
I just wanna rattle your bones  
Yes, I'm the one and only  
But I'm not the only one  
So let's work overtime on this shift  
It ends with the sunMaybe we can start a riot  
Maybe we can run this town  
Maybe I'll be your vampire  
We could figure it out  
When the cats come out the vamps come out to play, yeah  
In the morning after  
The dawn is here, be gone, be on your way, yeahIn the morning afterWhen the cats come out  
the vamps come out to play, yeah  
In the morning after  
The dawn is here, be gone, be on your way, yeah  
In the morning after dark  
Dark, dark, dark, dark, dark, in the morning after dark  
Dark, dark, dark, dark, dark, in the morning after dark  
Please don't leave me, girl, in the morning after dark  
Please don't leave me, girl, in the morning after dark  
Please don't leave me, girl  
When the cats come out the vamps come out to play  
When the cats come out the vamps come out to play  
The dawn is here, be gone, be on your way  
When the cats come out the bats come out to play  
The dawn is here, be gone, be on your way
