

# Skin (Sarabeth)

## Rascal Flatts

Sarah Beth is scared to death  
To hear what the doctor will say  
She hasn't been well  
Since the day that she fell  
And the bruise, it just won't go away  
So she sits and she waits, with her mother and dad  
And flips through an old magazine  
Till a nurse with a smile  
Stands at the door  
And says, 'Will you please come with me?'  
Sarah Beth is scared to death  
'Cause the doctor just told her the news  
Between the red cells and white  
Something's not right  
But we're gonna take care of you  
Six chances in ten, it won't come back again  
With the therapy we're gonna try  
It's just been approved  
It's the strongest there is  
I think we caught it in time  
Sarah Beth closes her eyes  
She dreams she's dancing  
Around and around, without any cares  
And her very first love is holding her close  
And the soft wind is blowing her hair  
Sarah Beth is scared to death  
As she sits, holding her mom  
Says it would be a mistake  
For someone to take  
A girl with no hair to the prom  
For just this morning, right there on her pillow  
Was the cruelest of any surprise  
And she cried when she gathered it all in her hands  
The proof that she couldn't deny  
Sarah Beth closes her eyes  
She dreams she's dancing  
Around and around, without any cares  
And her very first love is holding her close  
And the soft wind is blowing her hair  
It's quarter to seven, that boy is at the door  
Her Daddy ushers him in  
When he takes off his cap, they all start to cry  
'Cause this morning where his hair had been  
Softly, she touches just skin  
They go dancing  
Around and around, without any cares  
And her very first, true love is holding her close  
And for a moment, she isn't scared
