Psycho

Puddle of Mudd

Maybe I'm the one Maybe I'm the one

Who is

The schizophrenic psycho yeahMaybe I'm the one

Maybe I'm the one

Who is

The schizophrenic psycho yeahShe lays down on the fresh lawn

She can make everything magical

But she tied one on big time

And it makes me want to rewindTo back in the days when we were young

When everything was like a loaded gun

Ready to go off in any minute

And you know we're gonna win again

Yeah you know we're gonna win again

Yeah you know we're gonna win againMaybe I'm the one

Maybe I'm the one

Who is

The schizophrenic psycho yeahMaybe I'm the one

Maybe I'm the one

Who is

The paranoid flake-oh yeahShe lays down on the sidewalk

Never very analytical

She is something simply beautiful

Reappear with youth and magical

Back in the days when we were young

When everything was like a loaded gun

Ready to go off in any minute

Yeah you know we're gonna win againMaybe I'm the one

Maybe I'm the one

Who is

The paranoid freak-ohI'm the one

I'm the one

Who is

The schizophrenic psycho

I'm the one

I'm the one

Who is

The schizophrenic psychoYou're the one

You're the one

Who is

The schizophrenic psycho

Back in the days when we were young

When everything was like a loaded gun Ready to go off in any minute And you know we're gonna win again

Maybe I'm the one Maybe I'm the one

Who is

The schizophrenic psycho yeah

Maybe I'm the one

Maybe I'm the one

Who is

The paranoid flake-oh

You're the one

You're the one

Who is

The schizophrenic psycho

(Maybe I'm the one)

(Maybe I'm the one)

(Who is...)

(Who is the schizophrenic psycho)

You're the one

You're the one

Who is

The schizophrenic psycho

(Maybe I'm the one)

(Maybe I'm the one)

(Who is...)

(Who is the schizophrenic psycho)

You're the one

You're the one

Who is the schizophrenic psycho
