

Memories

3T

Ya da da dada
ya da da dada
hold on babe
hold on baby
ya da da dada
ya da da da dadada
mmmmm
where ever you are,
this one's for you
memories of you and me and
if this way is meant to be I cry
memories of you and me and
if this way is meant to be then why
tell me why
growing up, with you by my side
I thought that life would be so easy, yeah
now that you're gone
and my heart stands all alone
I have realized what it is, that I'm missing
cause it won't come back
memories of you and me and (memories)
if this way is meant to be I cry, I cry, I cry
memories of you and me and
if this way is meant to be then why, then why,
is it gone
or is it true that I'm just assuming
that our hearts will never beat as one
cause it's so hard for me to forget
all the plans and goals that we set
I guess that why it hurts me when you say
hold on, be strong, move on, goodbye
goodbye, goodbye
you say
hold on, be strong, move on, goodbye
I've tried, I've cried, but goodbye
memories of you and me and
if this way is meant to be I cry, I cry
memories of you and me and, memories
if this way is meant to be then
bye bye my love
oh baby
hey, it's me again

you know I'm not much of a talker
but I just wanna let you know
that I think about you everyday
deep in my heart I still believe
that there will be a time
when we're together again
I love you, and I miss you
tell me why it hurts when we still love each other
memories of you and me and (goodbye my love, goodbye my love)
if this way is meant to be I cry (goodbye, goodbye)
memories of you and me and (goodbye my love, goodbye sweet love, sweet love)
if this way is meant to be I cry (goodbye, goodbye)
memories of you and me and
tell me why we must be this way
if this way is meant to be I cry
memories of you and me and
tell me why we must be this way
if this way is meant to be then
goodbye my love
