

Wings

Shoreline Mafia

D.A. got that dope Bleed the scene then I pop a bean
Twenty thousand bustin' out my jeans

Mike Amiris, I might do the wings

Said she loyal but she do the team

Bleed the scene then I pop a bean

Twenty thousand bustin' out my jeans

Mike Amiris, I might do the wings

Said she loyal but she do the team

D.A. got that dope, 'Geesy got that coke

I'ma fuck her in her throat, hit it once, let it go

I be buyin' out the store, choppa wit' a scope

I want all the smoke, let a nigga come approach

Why it's Gucci, Prada, bitch, you still rockin' Coach

Bitch, I'm OTX gang, so you know I do the most

Bitch, I'm rollin', rollin', rollin' off the jiggas

Got my eyes wide open when I'm takin' naughty pictures

I'm a six figure nigga, I'm 'bout to hit the seven

Got the trap in the back, all the pills we be pressin'

See my clothes is expensive, hoes say I'm impressive

Gang in the back, lil' nigga, who you pressin'?

Bleed the scene then I pop a bean

Twenty thousand bustin' out my jeans

Mike Amiris, I might do the wings

Said she loyal but she do the team

Bleed the scene then I pop a bean

Twenty thousand bustin' out my jeans

Mike Amiris, I might do the wings

Said she loyal but she do the team This yo' bitch? She the homie bitch

On Instagram, we flex your homie shit

I remember, I was broke as shit

Now I got it, I'ma go wit' it

Got the drank, nigga, pour it up

Got yo' bitch and she goin' up

Ain't no nigga wit' me hoein' up

Hunnid shots, we gon' blow him up

Talkin' cash, where your money at?

Me and hoes done moved a hunnid packs

Bring it back, that's 'bout a hunnid racks

Then we pulled off in that Thundercat Bleed the scene then I pop a bean

Twenty thousand bustin' out my jeans

Mike Amiris, I might do the wings

Said she loyal but she do the team

Bleed the scene then I pop a bean

Twenty thousand bustin' out my jeans
Mike Amiris, I might do the wings
Said she loyal but she do the teamD.A. got that dope!
