A Warrior's Call

Volbeat

Let's get ready to rumble

Feel the fire, he's entering the ring

His mindset only knows how to win

This Irish fighter will break you in two You will feel all

This Irish fighter will break you in twoYou will feel all his power

The viking warrior, Austin Logan

Will now brand his name in the back of your head, yeah

You feel the floor again, unleashing his hell

You will not even hear the bellMaybe you're strong, but you don't stand a chance

Feel the power of a warrior

Fight, fight, fight

Let's get ready to rumble

Fight, fight, fight

Breaking your record and breaking your bones

Born a warrior with a code

A champion feeding your face with a fistYou will feel all his power

The viking warrior, Austin Logan

Will now brand his name in the back of your head, yeah

You feel the floor again, unleashing his hell

You will not even hear the bellMaybe you're strong, but you don't stand a chance

Feel the power of a warrior

Fight, fight, fight

Let's get ready to rumble

Fight, fight, fight

A gladiator's left hand Fight, fight, fight, fight

Feel the pain tomorrow

Behold, here comes the son

Believe it, he was born to be the chosen one

The call is for a warrior

His name will echo on the sea and on the ground

Feel the fire, he's entering the ring

His mindset only knows how to winThis Irish fighter will break you in two

You will feel all his power

The viking warrior, Austin Logan

Will now brand his name in the back of your head, yeah

You feel the floor again, unleashing his hell

You will not even hear the bell

Maybe you're strong, but you don't stand a chance

Feel the power of a warrior

Fight, fight, fight

Let's get ready to rumble

Fight, fight, fight

A gladiator's left hand Fight, fight, fight

Feel the pain tomorrow
Behold, here comes the son
Believe it, he was born to be the chosen one
The call is for a warrior
His name will echo on the sea and on the ground
