

# I'm Up (feat. Kid Ink & French Montana)

## Omarion

Omarion  
Oh (haanh)  
It's Kid Ink (Montana)  
And your chick, yo' chickBaby I'm the man, I'm up  
Couple hundred bands on the car  
Villa and a mansion, uh, I'm that nigga  
I'm that nigga, I'm that nigga  
I'm with my niggas, bring more bitches  
Girl, I got the mojo  
See you when you double tap the photo  
She ain't into logos (nope!)  
Living single like Maxine, I'ma have her singing like Coko  
(I get so weak) ...in the knees  
Can't cuff me, bitch please  
You can get involved  
You know who to call when your man Duval, too small, no Lacey  
Cause I'm up  
Zero, zero, zero, comma  
Heard you looking for a sponsor  
Well you gon' have to ride this anacondaBaby I'm the man, I'm up  
Couple hundred bands on the car  
Villa and a mansion, uh, I'm that nigga  
I'm that nigga, I'm that nigga  
I'm with my niggas, bring more bitches  
It's no pretending  
That we've be getting to it all night  
I'm off so much liquor  
Probably did a couple things that my girl won't like  
Red light  
Gotta slow it down, get my head right  
Try and take it to the hotel, yeah right  
Talking 'bout she won't tell, yeah right  
I already know the finessing  
I don't answer like it's bill collectors  
Shawty try'na act so wreckless, I don't even stress it  
See we got her going up 'til breakfastShawty saw the wings on the car  
She forgot about her plans for tomorrow  
Best friend next room, ear to the wall  
Cause I'm that nigga, haan  
I'm on the boss, don, baby ahh  
She gon' throw it up, she gon' break it down  
Shawty got her own

But she can't find a nigga like meBaby I'm the man, I'm up  
Couple hundred bands on the car  
Villa and a mansion, uh, I'm that nigga  
I'm that nigga, I'm that nigga  
I'm with my niggas, bring more bitchesComin' through, commas, commas, commas  
Commas, commas, commas  
We been goin' through, commas, commas, commas  
Commas, commas, commas  
Feelin' like, fuck what you goin' throughcommas, commas, commas  
Commas, commas, commas  
We been goin' through, commas, commas, commas  
Commas, commas, commas  
Feelin' like, fuck what you goin' throughBaby I'm the man, I'm up  
Couple hundred bands on the car  
Villa and a mansion, uh, I'm that nigga  
I'm that nigga, I'm that nigga  
I'm with my niggas, bring more bitches
