

# Sane

## Jackie Evancho

It's like water dripping down  
The words are losing from my mouth  
Flashing against the hardwood floors  
The wind is soaring through the doors  
Dots are crashing all around  
Spinning better on the ground  
As I hide behind the curtains  
Of this sun forgiving burden  
I'm insane  
No I'm not I'm still sane  
It's not me  
This world is crazy  
But I gotta get out  
I gotta get out  
Cheer me up and hold me tight  
Keep me down when though your mind  
Cause I'm going down tonight  
I will drain all of the sides  
But I'm not what I may seem  
This is all just one bad dream  
Do you still believe in what I seem  
I'm not insane but that's ugly  
I'm not insane but that's ugly  
Stop  
Breathe  
I'm rembling on my tongue like sores  
that's racing through my every bone  
probably because I'm out of silk  
It has to be, it has to be  
These visions lurking in my mind  
Are such raided in some kind  
Of ink disease that's in my veins  
No man still alive will come this pain  
Is there a place  
Where I can go and be a little safe  
Cause my head's like  
A paint of dark torn up mistakes  
And I've gotta get out  
I've gotta get out  
Cheer me up and hold me tight  
Keep me down when though your mind  
Cause I'm going down tonight

I will drain all of the sides  
But I'm not what I may seem  
This is all just one bad dream  
Do you still believe in what I seem  
I'm not insane but that's ugly  
Grab my hand and pull me out  
I can't be losing it now  
Careful when I drag you in  
You lose yourself somehow  
Cheer me up and hold me tight  
Keep me down when though your mind  
Cause I'm going down tonight  
I will drain all of the sides  
Cheer me up and hold me tight  
Keep me down when though your mind  
Cause I'm going down tonight  
I will drain all of the sides  
But I'm not what I may seem  
This is all just one bad dream  
Do you still believe in what I seem  
I'm not insane but that's ugly  
I'm not insane  
I'm not insane  
It's not what they seem  
It's all just one bad dream  
I'm not insane but that's ugly  
I'm not insane but that's ugly
