## Framing Hanley

Insecurities  
Hid beyond the hotel lobby  
While I'm forced to call this a home  
Without you  
So let's keep this conversation  
Lingering on  
Don't say good night,  
Not while I amGone  
This will be a long, long ride  
And I'll be dreaming of coming  
Home  
And when you are alone tonight  
I'll be writing you another song  
Waiting for release  
I miss the sound of you laughing  
And I'll never call this a home without you  
So let's get this conversation lightened up  
Don't say goodnight, not while I amGone  
This will be a long, long ride  
And I'll be dreaming of coming  
Home  
When you are a lone tonight  
I'll be writing you another songKeep your eyes on the road  
We're gonna make it out of this town  
Keep your eyes on the road  
We're gonna make it out of this townWe could run away, away  
I'm gone  
This will be a long, long ride  
Long ride  
I'm dreaming of coming  
Home, Home, Home  
I'm writing you another songThis
