

Hey Jude

Grateful Dead

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it betterHey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it betterAnd anytime you feel the pain
Hey Jude, refrain, don't carry the world
Upon your shoulders for well, you know
That it's a fool who plays it cool
By making his world a little colderHey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it betterSo let it out and let it in
Hey Jude, begin, you're waiting
For someone to perform with
And don't you know that it's just youHey Jude, you'll do the movement
You need is on your shoulderHey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make itBetter, better, better, better, better, better, oh
Da, da, da, da, da, da, da, da, da, da, hey Jude
Da, da, da, da, da, da, da, da, da, da, hey Jude
Da, da, da, da, da, da, da, da, da, da, hey Jude
(Judy, Judy, Judy, Judy)
