

Mac Roni

Cousin Stizz

And if you don't wanna be no buck nigga
Don't be now
That's Fyre
Ayy, Skimmy, that's you? Get in my bag, they wanna get in my bag
I was just down on my last
Cheese on me, who got the mac-roni
Get in my bag, they wanna get in my bag
Foreign ho and she got ass
She got that work, wanna splash on me
Poppin' off, shittin' now
Cop a whip, tint it down
That lil' bitch hit me up
Feelin' like she can't get enough
Shoot a flick, cinema
Pullin' hair, shit gettin' rough
Runnin' bands, they think it's criminal
We puttin' on a lil' clinic
My feet on the dash, finna just T up
Feel like my past, easy for me to go
Fiend out and crash, get what you thinkin', but I ain't ask
I did my homework and I'm on they ass
Tryna be the one I was last
Free my fam in the pit
Tryna get rich, I brough cash
Get in my bag, they wanna get in my bag
I was just down on my last
Cheese on me, who got the mac-roni
Get in my bag, they wanna get in my bag
Foreign ho and she got ass
She got that work, wanna splash on me
Get in my bag, they wanna get in my bag
I was just down on my last
Cheese on me, who got the mac-roni
Get in my bag, they wanna get in my bag
Foreign ho and she got ass
She got that work, wanna splash on me I spit out the speaker, that lil' bitch, she a diva
She don't ride with me though, she gon' ride with the Migos
I got the kilos, keep that low on the geto
Keep that low on the keto, all the shooters with me though
I'm the neighborhood hero, walk with the zeros
Walk around with the Ben Franks
Ridin' with shit smokin' right out the tank

I never seen a hater at the bank
Gotta take risks when you raisin' your rank
I'm in the cut with the pack like I'm Saint
Ain't nobody to thank
Get in my bag, they wanna get in my bag
I was just down on my last
Cheese on me, who got the mac-roni
Get in my bag, they wanna get in my bag
Foreign ho and she got ass
She got that work, wanna splash on me
Get in my bag, they wanna get in my bag
I was just down on my last
Cheese on me, who got the mac-roni
Get in my bag, they wanna get in my bag
Foreign ho and she got ass
She got that work, wanna splash on me
