

Descend To Extirpation

Aborted

Exhume The Dead To Take Part In My Collection
A Gallery Of Gore
Reflecting Recollections
Dried Corpse-Mache
I Thrive On Decay
I'm A Malpractitioner
Invoked By Your ApathyRecreative Art
Corpses Pulled Apart
This Is My Delicatesse
Sullied By My Name
A DebaucheryRecreative Art...
Pulled Apart...
Atropine Injected To Clarify Which Matters
I Shall Deride And Deprive All Of Man
To Cleanse The World Is My Putrefactive PlanThis Is My Epiphany
Decaying Tapisry
Peeling To My Satisfaction
My Collection
Closer To CompletionGutting And Slashing
Maiming And Hacking
Pulpifying And Dissolving With EaseMy Necrotic Urges Can And Never Will Be Pleased
Gutting And Slashing
Maiming And Hacking
Grind The Dead To A Gangrenous Mush
Recollected To Partake In My Canvas Of Death
Exhume The Dead To Take Part In My Collection
A Gallery Of Gore
Reflecting Recollections
Dried Corpse-Mache
I Thrive On Decay
I'm A Malpractitioner
Invoked By Your ApathyMankind And Apathy
Go Hand In Hand In This Garden Of Dismay
