

# Gallows Pole

## Great Big Sea

Hang man, hang man  
Hold a little while.  
I think I see my brother coming,  
Riding many a mile.  
Brother did you bring me some silver?  
Did you bring a little gold?  
What did you bring me my brother,  
To save me from the gallows pole?  
To save me from the gallows pole.  
I brought a little silver,  
I brought a little gold.  
But you know what?
