

Deer Dance

System Of A Down

Circumventing circuses
Lamenting in protest
To visible police
Presence sponsored fear Battalions of riot police
With rubber bullet kisses
Baton courtesy
Service with a smile Beyond the Staples Center, you can see America
With its tired, poor, avenging disgrace
Peaceful, loving youth against the brutality
Of plastic existence
Pushing little children
With their fully automatics
They like to push the weak around
Pushing little children
With their fully automatics
They like to push the weak around A rush of words Pleading to disperse
Upon your naked walls, alive
A political call
The fall guy accord
We can't afford to be neutral on a moving train
Beyond the Staples Center, you can see America With its tired, poor, avenging disgrace
Peaceful, loving youth against the brutality
Of plastic existence
Pushing little children
With their fully automatics
They like to push the weak around
Pushing little children
With their fully automatics
They like to push the weak around
Push them around A deer dance, invitation to peace
War staring you in the face, dressed in black
With a helmet, fierce
Trained and appropriate for the malcontents
For the disproportioned malcontents
The little boy smiled, it'll all be well
The little boy smiled it'll all be well
Pushing little children With their fully automatics
They like to push the weak around
Pushing little children
With their fully automatics
They like to push the weak around
Pushing little children

With their fully automatics
They like to push the weak around
Push the weak around
Push the weak around
Push the weak around
They like to push the weak around
