

# Keep On

## Eric Church

Yeah, I see you over there makin' eyes at me  
But you don't wanna get caught  
Now where'd you get the cowboy on your arm  
And where you want me to drop him off? I see you tryin' to hide that fire inside  
But your hold me back's almost gone  
Yeah, it's about time I let cowboy know  
That I'ma gonna take you home Yeah, so keep on lookin' at me that way  
That way we can move this along  
I could tell you what I got here on my mind  
But I think you already know Yeah, and now's the time for you to turn around  
If you want me to walk away  
Or you can keep on, keep on, keep on, keep on  
Lookin' at me that way  
Yeah, I could tell by the way I took your hand  
And then asked you to dance  
He went all John Wayne in front of his friends  
And said, "I don't think so, man" Yeah, [Incomprehensible] looked like loudmouth punk  
Never been in a junkyard fight  
But if you gonna bark at a big dog, boy  
Then you gonna get to feel the bite Yeah, so keep on lookin' at me that way  
That way we can move this along  
And I can finish sweepin' her off her pretty little feet  
And your buddies can carry you home You can back off and let her dance with me  
And live to fight another day  
Or you can keep on, keep on, keep on, keep on  
Lookin' at me that way  
Yeah, I love the way the sun's comin' through  
And bouncin' off the small of your back  
Yeah, I know if I call in sick today  
Boss man will have a heart attack Yeah, I knew it was over when she walked over  
And said, "Baby, why don't you stay?  
And keep on, keep on, keep on, keep on  
Lookin' at me that way And keep on, keep on, keep on, keep on  
Lookin' at me that, lookin' at me that  
Lookin' at me that way
