

# I Don't Care

## Savage Garden

I ride this train  
In the windswept afternoon  
And the sunlight warms the faces  
Of the faithless who are waiting  
I ride this train  
But I need a conversation  
Mozambique or was it Veronique?  
How about you pick the subject  
and I'll listen to you  
(Chorus:)  
People tell me that I feel too much  
But I don't care, I don't care  
People tell me that I need too much  
But I don't care, no I don't care I ride this train  
In a dreamlike state of mind  
Through a field of frozen memories  
imagination racing  
I ride this train  
But I need to make connections  
No I wasn't staring, I was only trying  
To get some substance, to get some meaning (Repeat Chorus) People tell me that I feel too much  
Oh no 'cause I don't care, no I just don't care anymore  
As I ride this train  
People tell me that I feel too much  
But I don't care, no I don't care  
People tell me that I need too much  
But I don't care, no I don't care  
People tell me that I feel too much  
Oh no 'cause I don't care, no I just don't care anymore  
As I ride this train  
As I ride this train (People tell me that I feel too much)  
As I ride this train  
Can you ride this train? (People tell me that I need too much)  
As I ride this train  
As I ride this train  
(People tell me that I feel too much)  
(People tell me that I need too much)
