

# Nobody's Hero (2002 Remastered Version)

## Stiff Little Fingers

I think it's time we talked this over  
I think you've taken this too far  
I never wanted to be different  
Didn't ask to be nobody's star  
Try and take control of it  
'Cause what you see is what you get  
Try and take control of it  
And not me  
You say there's talk of revolution, so what's new?  
You say there's fighting in the air  
You think that I've got the solutions  
But do you really think that's fair?  
Try and take control of it  
'Cause what you see is what you get  
Try and take control of it  
And not me  
Don't wanna be nobody's hero  
Don't wanna be nobody's star  
Don't wanna be nobody's hero  
Get up, get out, be what you are  
You think it's time you took me over  
To do what you can't do yourself  
But don't let heroes get your kicks for you  
It's up to you and no one else  
Try and take control of it  
'Cause what you see is what you get  
Try and take control of it  
And you'll see  
Don't wanna be nobody's hero  
Don't wanna be nobody's star  
Don't wanna be nobody's hero  
Get up, get out, be what you are  
You think you're nobody  
And I get all the fun  
But no one is a nobody  
Everyone is someone  
Don't wanna be nobody's hero  
Don't wanna be nobody's star  
Don't wanna be nobody's hero  
Get up, get out, be what you are  
Be what you are
