

# Lowrider

## Cypress Hill

Aw, comin' through fo' real, we, Cypress Hill  
Oh baby, got that crunk for yo' trunk goin' gangsta  
crazy

We some real life hustlers playin' games in the street  
We got that low rider scrapin', dippin' on three  
(Low rider)

So pop your collar, give a holla, throw yo' dubs in the air  
We tear the roof off the mother, lady let down yo' hair  
Playa do that thang that make you feel alright (Low rider)  
Smoke that tree, crack that brew, we gettin' freaky tonight  
Now when people are done, bumpin' they head to this  
You wonder why you wanted anything instead of this  
We been makin' you bounce for many years already  
Rock steady and cut many niggaz to confetti  
But I just want to blaze it up

Whether it's the mic or a spliff, yes, my gift is to amaze you all  
Thought I couldn't come for ten my friend but guess what?  
I slay niggaz and still savin' my best nut  
(Low rider)

But you better cover your eyes 'cause you never know when  
I spit it out and start some flowin'  
I drop rhymes that grow like trees you're smokin'  
Ear drums feel like lungs, your brain's chokin'  
Just let it soak in, seep in, creep in, I'm keepin'  
All you motherfuckers in the deep end  
(Low rider)

You wanna trip? Then I got luggage  
I stuff you in and send you off 'cause you ain't rugged  
Aw, comin' through fo' real, we, Cypress Hill  
Oh baby, got that crunk for yo' trunk goin' gangsta crazy  
We some real life hustlers playin'  
games in the street  
(Low rider)

We got that low rider scrapin', dippin' on three  
So pop your collar, give a holla, throw yo' dubs  
in the air  
(Low rider)

We tear the roof off the mother, lady, let down yo' hair  
Playa do that thang that make you feel alright (Low rider)  
Smoke that tree, crack that brew, we gettin' freaky tonight  
'Cause we're Cypress Hill, come on and ride with us  
Just get inside, we bouncin', dippin', chop it up real tough  
Lean to the side, pimp yo' hat, tilt yo' seat on back  
Don't front on me, baby boy and break bread with the sack  
(Low rider)

I be the vato with the fine hoodrat in the ranfla

Always roll deep on the streets like the Mafia  
Pleito just might come back and haunt ya  
Flossin' too much, no vato's gonna want ya Not right here homes, we're past all of that  
Makin' that feria spittin' that raps  
Ya me Conoces, I'm down for my calle  
Cypress Ave, ya pudo les madre  
(Low rider) Ya tu sabes, we don't play that shit  
Any pendejo's gettin' hit up quick  
Whassup Ese? What hood you claim?  
Now throw it up and down like it ain't no thang  
(Low rider)  
Hands in the air with the pinky rings  
Soul Assassins runnin' everythin'  
To all you vatos, make sure you check this  
In every barrio I'm well respected  
Aw, comin' through fo' real, we, Cypress Hill, oh baby  
Got that crunk, for yo' trunk goin' gangsta crazy  
We some real life hustlers, playin' games in the street  
(Low rider)  
We got that low rider scrapin', dippin' on three  
So pop your collar, give a holla, throw yo' dubs in the air (Low rider)  
We tear the roof off the mother, lady, let down yo' hair  
Playa do that thang that make you feel alright  
(Low rider)  
Smoke that tree, crack that brew, we gettin' freaky tonight  
(Low rider)
