

# Hands Open

## Snow Patrol

It's hard to argue when  
You won't stop making sense  
But my tongue still misbehaves  
And it keeps digging my own grave  
With my hands open and my eyes open  
I just keep hoping  
That your heart opens  
Why would I sabotage  
The best thing that I have?  
Well, it makes it easier to know  
Exactly what I want  
With my hands open and my eyes open  
I just keep hoping  
That your heart opens  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy  
Put Sufjan Stevens on  
And we'll play your favorite song  
'Chicago' bursts to life  
And your sweet smile remembers you  
My hands open and my eyes open  
I just keep hoping  
That your heart opens  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy  
It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy
