

# Diamonds and Pearls (Edit)

## Prince & The New Power Generation

This will be the day  
That u will hear me say  
That I will never run away  
I am here for u  
Love is meant for two  
Now tell me what u're gonna do  
If I gave u diamonds and pearls  
Would u be a happy boy or a girl  
If I could I would give u the world  
But all I can do is just offer u my love  
Which one of us is right  
If we always fight  
Why can't we just let love decide  
(Let love decide)  
Am I the weaker man  
Because I understand  
That love must be the master plan  
(Love is the master plan)  
If I gave u diamonds and pearls  
Would u be a happy boy or a girl  
If I could I would give u the world  
But all I can do is just offer u my love  
D to the I to the A to the M  
O to the N to the D to the pearls of love  
D to the I to the A to the M  
(To the M)  
O to the N to the D to the pearls of love  
There will come a time  
(There will come a time)  
When love will blow your mind  
(Your mind)  
And everything u'll look 4 u'll find  
(Take a look inside, yeah)  
That will be the time  
(That'll be the time)  
That everything will shine  
(Forever)  
So bright it makes u colorblind  
(U will be color blind)  
If I gave u diamonds and pearls  
Would u be a happy boy or a girl  
If I could I would give u the world  
All I can do is just offer u my love  
If I gave u diamonds and pearls  
(Pearls)  
Would u be a happy boy or a girl  
(Yeah, yeah)

If I could I would give u the world  
(Give u the world)  
All I can do is just offer u my love  
(All I can do)If I gave u diamonds and pearls  
(Diamonds)  
Would u be, would u, would u  
(Would u, would u  
Would u be happy little baby)  
A happy boy or a girl  
(If I could I would)  
Give u the world.
