All I Want

Kodaline

All I want is nothing more
To hear you knocking at my door
Cause if I could see your face once more
I could die a happy man I'm sureWhen you said your last goodbye
I died a little bit inside
I lay in tears in bed all night

Alone without you by my sideBut If you loved me

Why'd you leave me

Take my body

Take my body

All I want is

And all I need is

To find somebody

i'll Find somebody

Like you

Cause you brought out the best of me
A part of me I'd never seenYou took my soul wiped it clean

Our love was made for movie screens

But If you loved me

Why'd you leave meTake my body

Take my body

All I want is

And all I need is

To find somebody

i'll Find somebody

Ooooohhhhhh

If you loved me

Why'd you leave meTake my body

Take my body

All I want is

And all I need is

To find somebody

i'll Find somebody

Like you
