

We Could Do It (feat. Big Punisher)

Naughty By Nature

[Foreign content]

Big Pun baby, you miss me?
See Pun gonna sing, then he gonna rhyme
Let me lick you girl where the sun don't shine
I'm gonna sing, Treach gonna rhyme
Let me lick you girl where the sun don't shine We can do it in the middle of the night, girl
We can do it on the beach in the sunlight
We can do it anywhere that you like, girl
Long as you do it, and do it, all night We can do it in the middle of the night, girl
We can do it on the beach in the sunlight
We can do it anywhere that you like, girl
Long as you do it, and do it, all night
So how you like it, mama? In the morning coming out the sho-wah?
How bout the middle of the night, late after hours?
My powers be have her comin' hard to God, say good Muslim
From the way I crush the sun, the moon, and then the stars
Punisher's large like the planets
But if you make my dick hard like Janet Then you can ride the Squad transit
Trizz Nathaniel to you, can you handle my crew?
Bend over by the fridge and hand me your brew
This is how we do, that's just how you do
Throw a hand in the air, and scream Trizz Power rules
(Trizz Power rules)
Again
(Trizz Power rules)
That means you run train, with your whole damn crew, c'mon
We can do it in the middle of the night, girl
We can do it on the beach in the sunlight
We can do it anywhere that you like, girl
Long as you do it, and do it, all night We can do it in the middle of the night, girl
We can do it on the beach in the sunlight
We can do it anywhere that you like, girl
Long as you do it, and do it, all night Dirty Jerz, wettin' the set, with no sweat and Moet
If you want the Treach, there's no dick with no lickin'
For you home or hubby, how come the hoes make it sunny?
You took off the rag, so don't get mad that it's runny
I fuck with the rubby, and long stroke don't poke
Put the hooter in your cooler 'til your booty gets soaked I knock it from the front, and make you
look at your foot
Hit it solo from the back I might forget how you look
An old crook crashin' knowin' who wanna screw
I've been fuckin' ever since you called it 'doin' the do'

Now who you doin' it to? The fuckin' screw of the crew?
Hittin' somethin' and drunk drivin' past the boys in the blue
Talkin' to you We can do it in the middle of the night, girl
 We can do it on the beach in the sunlight
 We can do it anywhere that you like, girl
Long as you do it, and do it, all night We can do it in the middle of the night, girl
 We can do it on the beach in the sunlight
 We can do it anywhere that you like, girl
Long as you do it, and do it, all night Poo-tang, tang, no scallywagging! Now
 Hit it from the Illtown ground to Cali alley, now
 Bang it in a Boogie Down building, with no windows
 With your partner riding Big Pun, passin' indo
 If Pun smack her ass, tell her grab his gut
 'Cause when I pop the cock, watch the nuts erupt
 Been platinum, no more sleepin' on Latin rappin'
So get your mackin' crackin' and Pun pass the Magnum It's me, Big Pee the bachelor
 Your Secret Garden need a weeder whacker
 All I need is my gat and my black Cleopatra
 She the master of seduction with a classy introduction
 Must be after somethin' way she make that ass function
 Pass the Dutch and take off your boots
 I'm a call my troops, and just work that caboose
 Terror Squad the truth, we the proof for the kids
In the Coupe with the Trizz, there it is, c'mon Take off your clothes, meet me in the bathtub
 I wanna get it on, scrub a dub rub
 Last night baby, told me that you'd stay
And when I awake it seems like you're gone for days We can do it in the middle of the night, girl
 We can do it on the beach in the sunlight
 We can do it anywhere that you like, girl
Long as you do it, and do it, all night We can do it in the middle of Little Italy
 Don't worry about your man, he can't do diddily
 Ohh, I can do it better Senora, seniorita
 Tan preciosa
 Nena linda
 Senora morenita
 Tan preciosa
Morenita Quitate toda la ropa mi amor
 Quiero estar contigo corazon
 Quitate toda la ropa mi amor
 Quiero estar contigo corazon
