

# We Could Do It (feat. Big Punisher)

## Naughty By Nature

[Foreign content]

Big Pun baby, you miss me?  
See Pun gonna sing, then he gonna rhyme  
Let me lick you girl where the sun don't shine  
I'm gonna sing, Treach gonna rhyme  
Let me lick you girl where the sun don't shine We can do it in the middle of the night, girl  
We can do it on the beach in the sunlight  
We can do it anywhere that you like, girl  
Long as you do it, and do it, all night We can do it in the middle of the night, girl  
We can do it on the beach in the sunlight  
We can do it anywhere that you like, girl  
Long as you do it, and do it, all night  
So how you like it, mama? In the morning coming out the sho-wah?  
How bout the middle of the night, late after hours?  
My powers be have her comin' hard to God, say good Muslim  
From the way I crush the sun, the moon, and then the stars  
Punisher's large like the planets  
But if you make my dick hard like Janet Then you can ride the Squad transit  
Trizz Nathaniel to you, can you handle my crew?  
Bend over by the fridge and hand me your brew  
This is how we do, that's just how you do  
Throw a hand in the air, and scream Trizz Power rules  
(Trizz Power rules)  
Again  
(Trizz Power rules)  
That means you run train, with your whole damn crew, c'mon  
We can do it in the middle of the night, girl  
We can do it on the beach in the sunlight  
We can do it anywhere that you like, girl  
Long as you do it, and do it, all night We can do it in the middle of the night, girl  
We can do it on the beach in the sunlight  
We can do it anywhere that you like, girl  
Long as you do it, and do it, all night Dirty Jerz, wettin' the set, with no sweat and Moet  
If you want the Treach, there's no dick with no lickin'  
For you home or hubby, how come the hoes make it sunny?  
You took off the rag, so don't get mad that it's runny  
I fuck with the rubby, and long stroke don't poke  
Put the hooter in your cooler 'til your booty gets soaked I knock it from the front, and make you  
look at your foot  
Hit it solo from the back I might forget how you look  
An old crook crashin' knowin' who wanna screw  
I've been fuckin' ever since you called it 'doin' the do'

Now who you doin' it to? The fuckin' screw of the crew?  
 Hittin' somethin' and drunk drivin' past the boys in the blue  
 Talkin' to you We can do it in the middle of the night, girl  
     We can do it on the beach in the sunlight  
     We can do it anywhere that you like, girl  
 Long as you do it, and do it, all night We can do it in the middle of the night, girl  
     We can do it on the beach in the sunlight  
     We can do it anywhere that you like, girl  
 Long as you do it, and do it, all night Poo-tang, tang, no scallywagging! Now  
     Hit it from the Illtown ground to Cali alley, now  
     Bang it in a Boogie Down building, with no windows  
     With your partner riding Big Pun, passin' indo  
     If Pun smack her ass, tell her grab his gut  
     'Cause when I pop the cock, watch the nuts erupt  
     Been platinum, no more sleepin' on Latin rappin'  
 So get your mackin' crackin' and Pun pass the Magnum It's me, Big Pee the bachelor  
     Your Secret Garden need a weeder whacker  
     All I need is my gat and my black Cleopatra  
     She the master of seduction with a classy introduction  
     Must be after somethin' way she make that ass function  
     Pass the Dutch and take off your boots  
     I'm a call my troops, and just work that caboose  
     Terror Squad the truth, we the proof for the kids  
 In the Coupe with the Trizz, there it is, c'mon Take off your clothes, meet me in the bathtub  
     I wanna get it on, scrub a dub rub  
     Last night baby, told me that you'd stay  
 And when I awake it seems like you're gone for days We can do it in the middle of the night, girl  
     We can do it on the beach in the sunlight  
     We can do it anywhere that you like, girl  
 Long as you do it, and do it, all night We can do it in the middle of Little Italy  
     Don't worry about your man, he can't do diddily  
     Ohh, I can do it better Senora, seniorita  
         Tan preciosa  
         Nena linda  
         Senora morenita  
         Tan preciosa  
     Morenita Quitate toda la ropa mi amor  
         Quiero estar contigo corazon  
         Quitate toda la ropa mi amor  
         Quiero estar contigo corazon
