

# Charger (feat. Grace Jones)

## Gorillaz

I am the ghost  
Hahahahaaaaaaa  
Provocative  
That's what I want  
A cha-charger  
Everything is supposed to get in  
I just don't know where I'm a-getting from  
A cha-charger  
What is the cause of it, and  
Well in that case, how do you know it's your own?  
A cha-charger  
What do you say now?  
Thought you could use it when the flowers have grown  
A cha-charger  
What did you do in it?  
I bet you're racing it, I'm left in a stew, chikuchi  
A cha-charger  
A cha-charger  
A cha-charger  
A cha-charger  
Okay  
Yeah, okay  
Hahaaaaaaa  
A cha-charger  
Everything is supposed to get in  
I just don't know where I'm a-getting from  
A cha-charger  
What is the cause of it, and  
Well in that case, how do you know it's your own?  
A cha-charger  
What do you say now?  
Thought you could use it when the flowers have grown  
A cha-charger  
What did you do in it?  
I bet you're racing it, I'm left in a stew, chikuchi  
A cha-charger  
A cha-charger  
A cha-charger  
A cha-chargerI am the ghost  
I am the sword  
I am the ghost  
I'm gonna take you for a ride

(A cha-charger)  
Everything is supposed to get in  
I just don't know where I'm a-getting from  
I'm gonna take you for a ride  
(A cha-charger)  
What is the cause of it, and  
Well in that case, how do you know it's your own?  
I'm gonna take you for a ride  
(A cha-charger)  
What do you say now?  
Thought you could [?] when the flowers have grown  
I'm gonna take you for a ride  
(A cha-charger)  
What did you do in it?  
I bet you're racing it, I'm left in a stew, chikuchi  
I'm gonna take you for a ride  
(A cha-charger)  
No antennas  
(A cha-charger)  
I'm gonna take you for a ride  
(A cha-charger)  
No antennas  
(A cha-charger)  
I'm gonna take you for a ride  
(A cha-charger)  
I'm inside you  
No antennas  
(A cha-charger)  
I'm in charge  
(A cha-charger)  
No antennas
